

# HAXBY BUILDERS

*a passion for building*

A small, established firm with an enviable reputation for quality, honesty and attention to detail, we offer straightforward, reliable and competitively priced solutions for all your building needs.

Large or small, from initial idea to finishing touches, our own exacting standards and membership of the Federation of Master Builders means we adhere to a strict code of conduct within the building trade. This ensures you receive clear and transparent quoting, consistent, open communication and a quality of workmanship second to none.

Pride and professionalism in everything we do are the hallmarks of our service and the corner stone of our success - after all, your building is our reputation.

AWARDED CERTIFICATE OF MERIT IN THE PRESTIGIOUS  
FMB MASTER BUILDER OF THE YEAR AWARDS, 2006

*“Graham and his team will restore anyone’s  
faith in building craftsmen”*

MR & MRS W, ALNE

*“Graham ensured that the project was well managed, maintaining excellent communications at all times and explained all the increments of the build through to completion”*

MR & MRS G, HAXBY

We pride ourselves on the quality of our work, creating beautiful buildings that last; enhancing established properties and offering new, functional spaces for all your needs

*“...the quality of your work has proved to be part of your trademark ... which makes your service something you can be proud to offer.”*

MR B, SELBY

# *a passion for building*

Experience, care and honesty are hallmarks of our work and the good relationships we have with our many clients bear this out, be it an extension, the conversion of an existing building or a brand new scheme.

Undertaking any building work can be a daunting experience but we'll be with you every step of the way

*"Your attention to customer care and satisfaction is refreshing these days"*

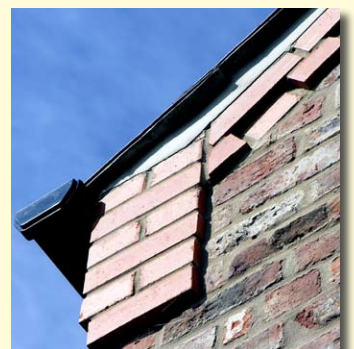

MR & MRS S, HAXBY
